RE: Area 1: Supplemental Remedial Investigation (SRI) Report
Revision Extension Request

Dear Mr. Erickson:

The United States Environmental Protection Agency (EPA) has reviewed your August 30, 2011, letter requesting an extension for submittal of the revised Area 1 SRI report due to EPA on September 12, 2011.

EPA held several meetings and conference calls with Georgia-Pacific LLC (GP) regarding draft submittals and responses to both EPA and Michigan Department of Environmental Quality comments on the Area 1 SRI report. EPA agrees that the collaborative effort from all parties has been helpful in resolving many of the numerous issues/comments provided by the Agencies.

Therefore, EPA grants GP an extension for submittal of the revised Area 1 SRI report until October 3, 2011. This revised submittal date is an enforceable milestone pursuant to the 2007 AOC.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,
